## A UNIQUE RECORD

Not Another Like It in Our Broad Republic.

To give positive home testimony in every locality is of itself unanswerable proof of merit; but when we add to this the continued endorsement from people who testified years ago, no evidence can be stronger. A Barre citizen gratefully acknowledges the good received from Doan's Kidney Pills, and when time has tested the cure we find the same hearty endorsement, with added enthusiasm and continued praise. Cases of this kind are plentiful in the work of Doan's Kidney Pills, and such a record is unique in the annals of medicine.

Mrs. Frank Jones, 100 South Main street, Barre, Vt., says: "About five years ago, when living in Worcester, I began to suffer from kidney trouble. I had such terrible pains in my back that I could hardly get about the house, and if I arose too quickly after stooping, sharp twinges would shoot through my hips. I often had severe attacks of dizziness. At night it was impossible for me to sleep, and during the day I felt tired and worn out. Being advised to try Doan's Kidney Pills, I did so. After using them a few days I found that they were helping me and I continued taking them until the pains in my back entirely disappeared. The other symptoms of my trouble were also greatly relieved, and I felt better in every way." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

## CABOT

The Emurian Evangelistic Services Were Much Appreciated.

The people of Cabot have been richly blessed in the evangelistic services conducted by Rev. T. K. Emurian, in the Methodist and Congregational churches, Oct. 5-10. Mr. Emurian has introduced us to a new type of evangelism. It was a campaign of instruction and inspiration. His appeals were directed to the understanding and decisions were urged on the basis of knowledge and conviction. Of acute texts, harrowing stories and "emotional, hypnotic spells," there were none. Yet, his sermons and addresses were a power to stir the conscience, convince the reason, and move the will to rational, whole-souled action. The conference and discussions were eminently practical—dealing with such topics as "The Method of Jesus," "Morality and Christianity," "Why Should I Become a Christian?" "Feeling and Duty," "The Advantages of an Open Church," "Does It Pay to Become a Christian?" "Fighting the Good Fight." His discourse—direct, brief, logical, searching—received added power from his rare gifts of song. Mr. Emurian being popularly known as "The Singing Evangelist." The whole series of meetings was marked by the fine spirit of brotherhood between the assembled congregations, which seemed as one. The spiritual life of the community at large has been quickened, dormant souls awakened. Impressions deepened, and decisions made which lay hold on eternal life. Many have quietly, cheerfully and steadfastly made an open profession of their loyalty to the Saviour and determination to follow Him. The churches and pastors feel that the results attending these special services have been in no small measure due to the faithful attendance, prayers, and testimony of the friends in the Walden church and in adjoining towns.

Mr. Emurian and his wife go to their next appointment, at Schaghticoke, N. Y., with the prayers, gratitude, and affectionate regard of the congregations to which they have so effectively ministered. (Signed)

Monday evening, Oct. 17, Rev. S. K. Emurian gave his lecture in the Congregational church, which was well attended and thoroughly enjoyed from first to last. Some of the noteworthy features were vivid descriptions of Turkish massacres and customs; his escape after the great massacre, folk songs of Armenia and Turkey, and choice paragraphs from lectures on science by Turkish savants. Prolonged applause followed his effective rendering of the splendid Armenian national song. The lecture is unique, highly instructive, entertaining and well worthy of a place and a hearing in one of the large lecture bureaus.

In a letter written by Wesley Atkins to his mother from Rome, Georgia, he gives a description of the storm which visited that place Oct. 14. A thunder-storm continued at intervals all day and at times the rain came down in streams. Late in the afternoon it was accompanied by a terrific hailstorm, the hailstones being seven and eight inches in circumference, and a few were found that measured eleven inches and would bound three or four feet when they struck. Hundreds of panes of glass were broken. The sides of buildings facing the storm had scarcely a pane left. Large oak trees were blown down, but so far as was known not a person or animal was injured.

## The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

**Dr. PIERCE'S GOLDEN MEDICAL DISCOVERY** makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgment.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors.
